

CHILD PROTECTION/SAFEGUARDING PRINCIPLES:

The following safeguarding principles apply to all activities delivered by, or in association with, Learning Through Action personnel:

1. All Learning Through Action staff in contact with children and other vulnerable people are only employed subject to up-to-date Criminal Records Bureau Enhanced Disclosure checks
2. Any suspicion or disclosure of abuse from participants will be reported to designated personnel and a school's or social services' child protection procedures will apply
3. All participants in projects/workshops will be treated with respect and difference will be positively valued
4. Participant's names (first name only) will be used in evaluation reports, only with the permission of the participant and their parent or carer.

By Order of the Board of Director-Trustees

K J Rhodes MBE
Chair
